Thanks Wayne!

I was able to secure the 5:15 time on Nancy's calendar for Tues the 19th. This discussion will be centered around the importance of streams and wetlands and the critical role fishermen play in advocating protection. A meeting invite to you should be coming out soon.

Hi Scott,

The 19th at 5:15 is best for the entire group. We start to lose people on the 20th due to prior commitments. We could meet on the 20th from 10-11:30 am and have roughly 5-6 people (3 Commercial Fishermen Captains) or we could meet at 5:00 and have roughly 5 people (including myself). Hope this helps. Let me know your thoughts. In the meantime I hope all is well and look forward to seeing you next week. All my best,

Thanks Wayne. I'm still waiting to hear back from Nancy's schedulers regarding the 5:15 meeting time on the 19th.

If that doesn't pan out, is there a time on the 20th when you and the group are available to come back in?
